

APPLICATION FOR SERVICES REQUIRING CONSTRUCTION

Application Date: _____

Applicant's Name: _____

Telephone Number/Call Back Number: _____

Current Address: _____ Exchange: _____

Type of Service Requested: _____

Work Required: _____

I have requested additional service as listed above. I understand outside plant construction is required to provide this service and the exact date of construction will be determined by work load in the construction department.

I agree to have the requested service connected **within thirty (30) days after construction is complete and will keep this service in force for thirty-six (36) consecutive months.**

If for any reason I decide not to have the requested service installed, I will notify Midstate Communications, Inc. **before construction commences and cancel this order.** Otherwise, I understand Midstate Communications, Inc. will bill me for the actual construction labor cost and I agree to pay the amount billed.

Applicant's Signature: _____

Date: _____

Construction will NOT commence until this signed form is returned to the Midstate Communications, Inc. office.
